Available Immediately • Open to Full-Time Remote Roles

PROFESSIONAL SUMMARY

Virtual Assistant and E-Commerce Operations Specialist with 8+ years of experience working fully remote across distributed, international teams — self-directed, comfortable with async communication, and reliable across timezone overlaps. Delivered end-to-end order fulfillment, customer support, and marketplace operations across Amazon, eBay, Shopee, Lazada, Etsy, and Walmart, consistently maintaining 100% operational uptime. Skilled in network and data security infrastructure (OPNsense/pfSense) and AI-assisted design and SEO tools. Known for taking full ownership of remote operations without requiring close supervision.

CORE SKILLS

Remote Work & Collaboration: Async Communication, Self-Directed Operations, Cross-Timezone Coordination, Monday.com, Jira, Slack, Zoom, Time Doctor

Operations & Support: Cross-Border Store Management, Order Fulfillment, Inventory & Logistics Coordination, Customer Service, Supplier & Vendor Relations, CRM Management (HubSpot)

IT & Technical Infrastructure: OPNsense/pfSense Firewall Administration, Local & Remote Networking, Hardware Diagnostics & Troubleshooting, VoIP Systems (RingCentral), Data Backup & Security

E-Commerce Platforms: Amazon, eBay, Etsy, Shopee, Lazada, Walmart, WordPress, Google Workspace

AI & Design: Adobe Photoshop, Adobe Premiere Pro, Canva, Potoroom, ChatGPT, Google Studio AI

PROFESSIONAL EXPERIENCE

Etsy Shop Manager — Remote (Freelance)

May 2026 – July 2026

- **Fulfillment Operations:** Delivered 100% on-time global fulfillment for a high-volume dropshipping operation by streamlining the end-to-end order workflow and eliminating shipment delays.
- **SEO & Market Intelligence:** Improved product search visibility through competitor keyword tracking and SEO-optimized listing rewrites using Alura, EtsyHunt, and ChatGPT.
- **AI-Enhanced Design:** Increased listing click-through rates by producing custom banners and apparel mockups with Adobe Photoshop, Potoroom, Google Studio AI, and Canva.
- **Operational Security:** Maintained 100% uninterrupted operations across a multi-account store infrastructure by implementing AdsPower anti-detect browser configurations and mitigating suspension risk.

Owner & Operations Manager — JF PrinTek Digital Printing Services

July 2025 – April 2026

- **Business Leadership:** Founded and scaled a digital printing business from the ground up, managing full-cycle operations including budgeting, workflows, and quality control.
- **Production & Sourcing:** Delivered a bulk corporate order of 1,000 customized shirts on schedule by coordinating material sourcing, labor, and pricing end-to-end.
- **Graphic Design & Pre-Press:** Produced high-resolution designs, logos, and branding assets for corporate and individual clients using Canva, Photoshop, and ChatGPT.
- **Client Management:** Retained corporate and individual clients from quotation through delivery by managing contract negotiations and translating creative briefs into finished products.

Admin Assistant / Virtual Assistant — Maks DataTech Virtual Assistance Services

January 2021 – March 2025

- **E-Commerce Operations & Design:** Managed WordPress and eBay storefront listings, designing high-converting visual assets with Canva and Adobe Photoshop.

- **CRM & Customer Support:** Managed customer inquiry queues using HubSpot CRM while producing data-driven satisfaction reports via Google Sheets and Excel.
- **IT Infrastructure & Security:** Reduced network downtime risk by architecting failover infrastructure, deploying hardware upgrades, and administering OPNsense firewalls and VoIP/RingCentral systems.
- **Project Management:** Kept cross-functional remote teams on schedule by coordinating deliverables in Monday.com and Jira, using Slack, Zoom, and Time Doctor for accountability.

E-Commerce / Dropshipping Virtual Assistant — Remote / Freelance *December 2018 – December 2020*

- **Cross-Border Store Management:** Scaled marketplace presence by directing day-to-day operations for US-based Amazon and eBay stores and Singapore-based Lazada and Shopee stores.
- **Operations & Market Research:** Maximized profit margins through product listings, inventory synchronization, and competitor pricing analysis across international platforms.
- **Customer Support:** Maintained high seller ratings across all marketplaces by resolving complex order issues and managing buyer inquiry queues.

Computer Technician — Woodfields Consultants Inc. *September 2017 – April 2018*

- **Infrastructure Management:** Optimized workplace computing performance by deploying hardware assemblies, system upgrades, and network configurations.
- **Technical Troubleshooting:** Minimized business downtime by diagnosing and resolving hardware, software, and OS issues under tight deadlines.

Sales Clerk — Translucent Tempered Glass Corp. *December 2016 – May 2017*

- **Logistics & Fulfillment:** Minimized delivery errors by coordinating dispatch routing and verifying shipping addresses for on-time order fulfillment.
- **Inventory & Vendor Management:** Prevented fulfillment bottlenecks by forecasting inventory availability and negotiating pricing with external suppliers.

Full-Time Missionary — The Church of Jesus Christ of Latter-day Saints - Philippines Urdaneta Mission
June 2014 – June 2016

- **Leadership & Training:** Led and trained teams of volunteer missionaries as District Leader, Zone Leader, and Trainer across assigned areas.
- **Records & Communications:** Managed official records and produced the mission's internal newsletter using Adobe Photoshop as Mission Recorder.
